

# Spectacular Fall Foliage!

EXPERIENCE THE MANY WONDEROUS SIGHTS & SCENTS OF AUTUMN

*“New York’s Finger Lakes region is perfect for fall foliage hedonists—it’s the ultimate autumn experience. The vineyards are tinted in shades of tangerine, saffron, and amethyst, the deep blue lakes are cradled between outrageously colorful hills, waterfalls pour down rocky crevices, and there are terrific restaurants and wonderful little inns.”* —Fodor’s
